If you don't want to bowl then come down and cheer on our bowlers. For a minimum donation you can share in the fun without wearing those infamous bowling shoes. Again Pre-Register with us and we will set you up with your own web page for fundraising. Prizes again will be awarded for most money raised. Minimum donation \$25. We encourage you to use the tools we provide to raise as much money as you can.

## YOU CAN BOWL

We are giving you the tools to raise the donation. It is easier, more effective, and even fun to raise money online. Prizes will be awarded for most money raised. Minimum donation: \$50 to participate. We encourage you to use the tools we provide to raise as much money as you can.

# Dear Friend,

The North Shore Rotary is holding our Annual Bowl-A-Thon to support the autistic community of Staten Island. The main event will occur on Sunday, April 2, 2017 at Rab's Country Lanes. This year's event will promote autism awareness and raise money to help the North Shore Rotary Club continue to serve individuals on the autism spectrum, their families, and the community.

In the past we have supported the PS 373 Dance Troupe by purchasing mirrors, mats and ballet bars. We were able to aid in the purchase of assistive technology curriculum materials for students through the Seton Foundation of Learning. We have sponsored the JCC Music for Autism Program. Our efforts have also supplied a new computer lab for On Your Mark and 20 iPads. We have also supported Eden II and The Grace Foundation programs, as well as many individual families who have needed assistance.

As part of our campaign the North shore Rotary teams up with Rab's Country Lanes, Gennaro's at Country Lanes and Country Awards to host a party for our participating organizations, complete with bowling, pizza and recognition medals.

This year we would like to continue to support not only those that have received aid in the past, but to stretch our arms even further into the autistic community. We cannot accomplish this goal without the support of our entire community and especially businesses such as yours.
