North Shore Rotary Club

A Message from the Queen

As the current President of North Shore Rotary Club, I am truly anticipating the upcoming Rotary year with excitement! Together with my co-president Suzanne Demetrio, we're ready to work with you to make a real impact and do some serious good.

The past year has been incredible for our club, achieving remarkable milestones and touching countless lives. But there's so much more we can do! I'm thrilled about the opportunities that lie ahead and all the positive change we'll create together.

I want to give a special shoutout to Suzanne. She's a wonderful, caring leader and passionate about service. I know she'll continue to be amazing as she takes over the presidency in January.

So, this is my personal invitation to you to embrace the challenges and opportunities of the new Rotary year. Together, we have the power to make a difference, one act of service at a time. I'm honored to stand with Suzanne and all our incredible members as we create a lasting impact and build a positive legacy in our world.

Get ready, North Shore Rotary Club—we're about to do some incredible things together!

Adult Spelling Bee Participation

The Adult Spelling Bee will be taking place on October 19th 2023. It promises to be an exciting and fun event. As you know, this event serves as a fundraiser for the North Shore Rotary Literacy Project for the coming school and Rotary year. To ensure the success of this event, we are seeking the support of our members in finding sponsors for the event.

We are offering two sponsorship options, to participate in the spelling bee while promoting a sponsor's business. The first option allows sponsors to support a team of three participants by covering their entry into the spelling bee and event. This sponsorship opportunity requires a contribution of \$500(This includes the 3 participants event admission with a \$75 per person value). Alternatively, sponsors can choose to go VIP and receive even greater benefits. By contributing \$1000, sponsors can provide a team of three participants with entry into the spelling bee and also invite an additional seven attendees, creating a full VIP table of 10 with reserved seating.

By supporting this event, you are actively contributing to the advancement of our literacy initiative for underprivileged second and third graders in our community. Your dedication to help us raise funds for this event will be recognized and celebrated during the Adult Spelling Bee. This is a fantastic opportunity for us to showcase the spirit of Rotary and our commitment to making a positive change.

Please don't hesitate to contact Alex or Ryan if you have any questions or need additional information. Together, let's rally our efforts and make this Adult Spelling Bee a resounding success!
