North Shore Rotary Club

New Rotary History Project

Alex Ziselman and Dennis Surmanek are organizing a new communications committee project to record the history of some of the great work that our club has done throughout the years. We will be creating a show at Community Media of Staten Island featuring our club members who can tell out stories from the past and present.

We are looking for interest from our club members to tell their stories. We will be sending an email out soon asking for interest. By creating this show it will not only memorialize our history but we will also be able to provide content (clips from the show) that can be used on social media and by the membership committee to get more exposure and grow our club with members that love the good work that we do.

If anyone is interested in volunteering to help film the show please contact Alex Ziselman as soon as possible. We are able to staff our own show if we have the volunteers. The types of opportunities are camera person, sound engineer, on camera host, and more. Training (2 hours) will be provided to anyone who is interested in volunteering.

Keep an eye out for an email requesting your best North Shore Rotary stories!

Adult Spelling Bee Tickets

The Adult Spelling Bee will be taking place on October 19th 2023. It promises to be an exciting and fun event. As you know, this event serves as a fundraiser for the North Shore Rotary Literacy Project for the coming school and Rotary year. To ensure the success of this event, we are seeking the support of our members in inviting their colleagues, friends, and families (18+) to attend.

We can especially use your support because there are other events happening on the same night that are reducing our audience.

Tickets are \$75 per person and include passed hors d'oeuvres, beer, wine, and soda. There will be a cash bar with our favorite bartender Tony for anyone interested in cocktails.

It is going to be a really fun evening and Ryan's brother's band, The Deep Grass will be providing extra entertainment in between rounds of the competition.

By supporting this event, you are actively contributing to the advancement of our literacy initiative for underprivileged second and third graders in our community. Your dedication to help us raise funds for this event will be recognized and celebrated during the Adult Spelling Bee. This is a fantastic opportunity for us to showcase the spirit of Rotary and our commitment to making a positive change.

Please don't hesitate to contact Alex or Ryan if you have any questions or need additional information. Together, let's rally our efforts and make this Adult Spelling Bee a resounding success!
